Welcome to Pepper Tree Restaurant

R80

The restaurant started initially as Opikopi Restaurant, serving our in-house guest only. Covid-19 arrived and we urgently needed to find a way to survive and to support our staff that has been with us for many years.

R80

The lockdown restrictions were relaxed on 1 May 2020, where take away meals were allowed. We then decided to take a leap of faith and hit the market through take-away, Uber and Mr Delivery. The support through our take away meals got us through and we managed to keep our doors wide open throughout the pandemic.

R75

Opikopi's restaurant needed its own identity and everyone agreed that it HAS to be Peppertree, as our outside seating area is under a beautiful stick old Peppertree.

R80

Our doors are now open wider than ever, welcoming guests from outside as well as in-house guest to our fully licensed restaurant with a classy wine list.

R40

R35

We hope you sit back, relax, sip on a great glass of wine and let your service ambassador spoil you.
